Subject: Regional contact for San Jacinto

Hi Mark and Ben,

My management has asked me to reach-out to your lead contact(s) for the San Jacinto site, following a heads-up that Sam gave Larry about the upcoming public meeting. We would like to get a better understanding and see whether we might be able to provide you any support.

On a related note, do you have an updated list of ORC/program case assignments that you can share with me? Thanks.
